Hi Steve,

I added another question to the list of chapter 11 questions and attached the updated word document. Have you had a chance to see what dates might be available to meet and talk about the questions?

If we could get a few hours next week (May 27 – 30) or the following week (June 2 – 6) it would be v. helpful. The sooner the better for us, though I know and empathize that schedules are difficult.

Subject: BDCP DEIS Chapter 11 questions

Hi Steve,

Thanks for taking time today to go over the questions we sent you on various chapters in the DEIS. I mentioned having additional Chapter 11 questions and they are in the word document I attached. It would be helpful if we could set up a time to discuss them.
